

Dr Consultation Fee**R 400.00****Botox®****R 75.00**
per unit

Anti-ageing • Fine Lines • Wrinkles

Botox® is a non-surgical cosmetic treatment for moderate to severe frown lines. Botox® works by blocking nerve transmission to temporarily reduce the contractions of the facial muscles

Fillers**R2 500.00**

Fine Lines • Wrinkles

Dermal fillers are a form of Hylauronic acid and are used to plump up fine lines, wrinkles, some scarring, and augment the lips by restoring volume and definition.

Silhouette Soft Thread Lift1 set **R10 000.00**

Lifting • Firming

2 sets **R16 000.00**

Silhouette Soft is one treatment, two actions. A lift action for an immediate and discreet effect, results can be seen instantly. A Regenerative action for gradual and natural results, though the process of re-absorption the component of Silhouette Soft restores your loss of collagen to give more definition to your features, while maintaining volume over time.
